Dear Karen

I would like to thank you and all the course mate for the hard work you made to make the class “fun” as Dr. Palan’ wish. Hope to see you once again in the future.

Best regards,

Dear all,

I would like to thank you all for being a nice team, really we had “Fun”, as well I do agree with my colleagues who did send their feedback. The training was with a great benefit which will enhance our skills & standard.

Dear Karen,

Thank you for being so friendly & caring throughout the training, we are going to miss you.....

Dear Aziz,

Thank you for giving us this opportunity to attend such training.

All the best!!!

Subject: Thanks

Dear Colleagues,

Many thanks for being such a great team. Apart from being a very good learning experience, it was really a good opportunity to know all of you as I did not even know most of you before this week.

Have a good weekend and stay in touch!

Kind regards,

Hamood Alam
