Hi Jimmy,  
Apologies...forgot to forward to you the much-welcomed email below.  
Congrats on the job well done :)

Have a great weekend and hopefully you'll have a breezy time with 'em  
engineers come Monday.

Cheers!  
Putri

Subject : Plantation Technical Competencies

Dear Putri,

Thank you for arranging yesterday's session with Jimmy. Happy to report  
that we are quite pleased with the enhancement of the competencies.

Moving forward, appreciate if you can send all of the Plantation technical  
competencies (revised version) along with these sets of competencies in  
order for us to do the competency mapping/profiling:

- Leadership competencies
- Senior Management competencies
- Common job competencies

Do you also have any guidelines on competency mapping process?

Hear from you soon.

Thanks  
Marlini
